SmartFit Gloves

- The new VOLVIK SmartFit Glove features Premium Cabretta Leather and Performance Lycra to insure maximum comfort, a proper fit, and provides a secure grip on your golf clubs.
- Extra Performance Lycra is added to help the glove move easily with you, and provides a Quick Drying System.
- A terry wristband inside the glove wicks moisture and adds comfort.
- The patent pending Volvik ball marker holder securely holds a Volvik poker chip ball marker (included), or the new VOLVIK SmartMarker GPS Audio device.
- Two sizes (S-ML and L-XL) helps you carry less sku's than traditional gloves in multiple size runs and also fits more hands than one-size compression fit gloves.
